

**International Conference on Economics
Turkish Economic Association
ICE-TEA 2018
Announcement and Call for Papers**

The Turkish Economic Association (TEA) is pleased to announce its 6th International Conference on Economics, ICE-TEA, scheduled for **1-3 November 2018** at the **Akka Antedon Hotel, Antalya, Turkey**; <http://www.akkaantedon.com>

The main theme of the conference is **“Human Capital, Innovative Industries and Employment”**. The conference, which is supported by the **International Economic Association**, aims to generate a debating ground for economists from around the world through invited and contributed sessions.

Contributed papers to be presented at ICE-TEA 2018 will be selected on the basis of an abstract submitted at the Abstract Submission page of the conference website; <http://teacongress.org> The Organization/Scientific Committee welcomes submissions from all fields of economics.

Selected papers presented at ICE-TEA 2018 will be published in the **“Ekonomi-tek”** <http://ekonomitek.org> , the peer reviewed journal of the Turkish Economic Association. In addition, some other selected papers will be published in a proceedings volume.

The conference will also provide an opportunity for a tour of the historical sites in the Antalya region at exclusive rates. Information on registration, reservations, transportation alternatives and tours will be available at <http://teacongress.org>

Deadline for Abstract Submission: 30 July 2018

Deadline for Organizing a Session: 30 July 2018

Date of Notification of Acceptance: 25 August 2018

Deadline for Early Registration, Hotel and Flight Reservation: 3 September 2018

Deadline for Submission of Full Paper: 5 October 2018

Date of Announcement of Programme: 15 October 2018

The Turkish Economic Association looks forward to meeting you at ICE-TEA on 1-3 November 2018. We will much appreciate if this announcement is passed on to your colleagues and members.
